Oncidium - Z

A-H, M-Odontonia

<i>PLANT</i>	<i>PARENTAGE</i>	<i>DESCRIPTION</i>	<i>PRICE</i>
Oncidium	Onc (Gower Ramsey x flexuosum) 'Best'	Easy grower with bright chrome yellow sprays of loonie sized flowers.	\$28-32
Oncidium	Onc Jeri Lemacks x (marchallianum x Garneri)	Large, full and round flowers in gold & bronze colours on branching sprays.	\$28-30
Oncidium	(truliferum x orthostates)	Heavy textured, large lipped yellow crossed to a floriferous, branching, yellow.	\$28-30
Oncidium Aloha Iwanaga	Goldiana x Star Wars	This plant replaces Onc Gower Ramsey as the pot plant of choice in Japan. Each spike carries a bright yellow flock of flowers, but on a shorter spike with heavier substance and a larger lip. Limited	\$28-30
Oncidium Cloud Ears 'Chocolate Orb'	Onc (Grafo x enderianum)	Rich brown flowers edged in a vivid yellow on branching spikes.	\$28-30
Oncidium Gower Ramsey	Onc. Goldiana x Guinea Gold	Very spectacular flower spikes with dozens of bright yellow and brown flowers.	\$28-32
Oncidium Gower Ramsey	Goldiana x Guinea	This plant has become the standard for yellow oncidiums. Easy grower, multi-flowered and blooms regularly. This	\$28-32

Volcano Queen	Gold	particular clone has stronger/shorter spikes with heavier flower substance than the regular Gower Ramsey.	
Oncidium Gower Ramsey 'Shonan'	Goldiana x Guinea Gold	This plant has become the standard for yellow oncidiums. Easy grower, multi-flowered and blooms regularly. This particular clone has strong spikes with heavier flower substance than the regular Gower Ramsey.	\$28-32
Oncidium Hawn 'Oka'	Onc Irene Gleason x Pat Pettit	Light pink skirt suffused with red/mahogany spots. Miniature. Limited	\$18-24
Oncidium Irene Gleason 'Majong'	(Golden Sunset x Linda)	White and rich pink skirt with mahogany red spotting on the petals. Miniature. Limited	\$18-24
Oncidium John Louis Shirrah	Onc Hyphaematicum x Onc ornithoryhynchum	Delicately elegant branched spikes of fragrant, lavender & white flowers with great fragrance.	\$28-30
Oncidium Kinsel Shortie	Star Wars x Boissienne	Up to 20 flowers on a branched inflorescence. sepals and petals a chestnut brown with a bright, clear yellow lip with a dark mask by the column.	\$26-28
Oncidium ornithoryhynchum 'Lilac Soap'	Species	The species with the unpronounceable name and the wonderful fragrance! Scented miniature orchid carrying a multitude of pink flowers on very dainty flower sprays.	\$26-28
		A sweet chocolate	

Oncidium Sharry Baby 'Sweet Fragrance'	Onc Honolulu x Onc Jamie Sutton	based floral fragrance gives this plant a fantastic edge! A multitude of reddish flowers with white edged lips, multiple spikes and a vigorous grower.	\$28-32
Oncidium Sharry Baby	Onc Honolulu x Onc Jamie Sutton	This clone primarily has deep red flowers on a multi branching spike. The sweet chocolate based floral fragrance remains as is its ease of growing.	\$28-32
Oncidium Sharry Baby	Onc Honolulu x Onc Jamie Sutton	This clone is a tri-colour. Flowers are primarily yellow with red spots and a white lip. Fragrance is a chocolate or vanilla based floral fragrance Multiple spikes and a vigorous grower make this a wonderful plant.	\$28-32
Oncidium Sweet Ears	Onc (Sweet Sugar x Cloud Ears)	This cross combines a floriferous, large lipped yellow flower with a chocolate brown one with large petals.	\$28-32
Oncidium Sweet Sugar 'Angel'	Onc Aloha Iwananaga x varicosum	A very compact spike (14" - 18"), heavy branching leading to a cloud of intense yellow, long lasting flowers. Limited.	\$28-32
Oncidium Sweet Sugar 'Golden Star'	Onc Aloha Iwananaga x varicosum	New mericlone of this popular pot plant. Relatively compact spike that branches freely and carries a multitude of intense yellow, long lasting flowers.	\$30-32
Oncidium	Onc Aloha	Another mericlone. Spikes are about 14" - 20" tall. Flowers	

Sweet Sugar 'Yellow King'	Iwananaga x varicosum	have very large yellow lips and are carried well on the branching spikes.	\$30-32
Oncidium Sweet Sugar 'Emperor'	Onc Aloha Iwananaga x varicosum	A compact spike (14" - 18"), heavy branching leading to a cloud of intense yellow, long lasting flowers. This particular clone is not for sale in Japan as it is protected by their plant patent laws.	\$30-32
Oncidium Twinkle 'Red Fantasy'	Onc (ornithoryhynchum x cheiroporum)	Seedling. Should be an abundance of pink/red flowers on branching spikes and, as an added bonus, the flowers should be fragrant.	\$18-25
Vuylstekeara	Odontonia Lorraine's 14th WOC x Odontioda Nichirei Lilac	Seedling. The Odontioda has deep pink to burgundy in its background. Looking for similar on tall branching spikes.	\$16-25
Vuylstekeara Cambria Plush	Mtda Rudra x Odm Clonius	Large, deep red flowers with white and yellow mask.	\$26-28
Vuylstekeara Camouflage 'Everglades Passion'	Vuyl Memoria Mary Kavan x Oda Florence Stirling	Mericlone. Expecting hot pink flowers. Seedling	\$14-16
Vuylstekeara Linda Isler	Oda Margarete Holm x Odtina Debutante	Dark red flowers on a strong, upright spike, multi branching with long lived flowers. LIMITED	\$28-35
Vuylstekeara Yokara 'Perfection' AM/AOS	Vuyl Leda x Oda Dorila	Sepals and petals spotted a light burgundy, with heavier suffusion on margins and tips; lip similar in color, heavily marked yellow near crest. Full shaped flowers. Limited	\$28-30

Wilsonara	Odcdm Tiger Butter x Oda Wearside Pursuit	Full, heavily patterned flowers in an array of colours (yellow, reds, purples).	\$30-32
Wilsonara	Onc Honolulu x Odontioda Arlington 'Easton'	Seedling. No description available.	\$16-28
Wilsonara	Wils Kolibri x Odontioda Harrod's Forever	Seedling. The Odontioda parent is a pink lavender with mauve blotches whereas Kolibri has white flowers heavily overlaid with purple.	\$18-28
Wilsonara Archirondel	Onc sphacelatum x Odontoglossum Golden Rialto '4n'	A sphacelatum cross which should give clouds of yellow flowers on long branching spikes.	\$30-32
Wilsonara Franz Wichman 'Riverview'	Oda Franz Wichman x Onc tigrinum	Mericlone. Creamy white flowers heavily marked with red/burgundy marking. Seedling.	\$14-16
Wilsonara Golden Afternoon 'Rich Yellow'	Onc sphacelatum x Wils Tigrina	Sepals & petals bright yellow, heavily marked and barred with mahogany brown and a lip fading to white. Spikes are tall and these carry a multitude of flowers. Mericlone. Seedling.	\$15-20
Wilsonara Isler's Farbspiel	Wilsonara Siobhan x Odm Hambühren	Full shaped yellow with red patterning.	\$28-32
Wilsonara Intermezzo 'Passion'	Wils Incurviana x Oncidium ornithorychum	Deep red to purplish red flowers. lip fades to lavender tip, and glowing orange crest.	\$28-30
Wilsonara Kendrick Williams 'The Weed'	Wils Autumn x Oda Ray Buckman	Sepals and petals medium burnt orange, brushed with yellow; lip darker burnt orange, fading to yellow-orange at edge; good substance and texture.	\$28-30

Wilsonara Kolibri	Wils intermezzo x Odm pescatorei	Bright purple flowers on large branching spikes. Easy grower.	\$28-32
Wilsonara Pui Chin 'Flying Tiger'	Onc tigrinum x Oda Golden Dawn	Yellow flowers excellently presented with sepals and petals having a well defined mahogany pattern; lip chrome yellow, blotched mahogany on base and crest; flowers should have good substance and no color fading. Seedling	\$12-15
Wilsonara Stirling Tiger	Oda Florence Stirling x Odedm Tiger Hambühren	Yellow gold background, overlaid with red blotches and an apricot red halo around the petals and sepals. Seedling.	\$14-16
Wilsonara Tigerschein	Onc tigrinum x Oda Feuerschein	Sepals and petals a glistening burnt orange; lip canary yellow, lightly overlaid by burnt orange; flat flowers which are well-proportioned, & well presented on a strong inflorescence.	\$26-34
Withnerara Ash Trees 'Everglades' HCC/AOS	Mpsa Sandy Gibson x Odedm Tiger Butter	Sepals and petals chartreuse, with mahogany bars; lip pale yellow with rich chestnut waterfall, large, round flowers.	\$28-32
